

I am an Indiana resident who has registered with the Federal and State of Indiana Telephone Privacy Act. It has come to my attention that there is a petition made by the Consumer Bankers Association (CBA) to challenge Indiana's law. I am strickly opposed to any weakening of the law. I appreciate my privacy and do not want to receive solicitation calls while at home. Please reject the CBA's petition to weaken our laws in this case. Thank you for your attention to this matter.
